## BOOST YOUR SKILLS, PREPARATION, AND RETURNS WITH RUCKUS® TRAINING.

Ruckus training offers gold standard technical content, instructors, and results that are recognized and respected by networking professionals around the world.

Best-in-class training and education ensures that you can add real value with highly marketable skills.

## REQUIREMENTS

Ruckus Ready Partner program partners are required to maintain and report a certain number of pre-sales, sales and technical personnel on staff and maintain the minimum requirements as outlined by each product category (Wired and Wireless).

## TRAINING DEFINITIONS

**Accreditations:** Non-proctored exams

**Certifications:** Proctored exams that are legally defensible

Technical accreditations and certifications older than 3 (three) years are considered invalid and do not count towards partner compliance.

In order to have the certification(s) and/or accreditation(s) count towards company compliance, individuals will need to use the same company email address across the Ruckus training systems.

The Ruckus Ready Partner program is subject to change or cancellation at Ruckus's sole discretion. Additional terms and conditions apply.

### REGISTRATION

Access Ruckus’s Instructor-Led Training courses through the Ruckus Training Portal: [training.ruckuswireless.com](http://training.ruckuswireless.com).

Instructor-Led Training is delivered by Ruckus’s Authorized Training Partners (ATP). Select “Instructor-Led Training” in the navigation section of the site and then locate the nearest ATP to you.

You will be able to select the ATP and then register for your course.

### TRAINING DISCOUNTS

All Ruckus Ready participating partners: eLearning courses are FREE.

Elite partners will be eligible to register with Ruckus’s ATPs for up to two (2) free seats per product category (Wired and Wireless) to help achieve their technical certification requirements by taking a qualifying publicly scheduled Instructor-Led or Virtual Instructor-Led Training class.

Ruckus’s ATPs will also honor a 50 percent discount off MSRP for any additional registrations in a qualifying publicly scheduled Instructor-Led or Virtual Instructor-Led Training class.

For privately delivered classes, Ruckus’s ATPs will honor a 25 percent discount off MSRP for Elite partner employees.

Elite partners will be responsible for all travel expenses for their employees to attend the classes.

Please have your employees register using their company email addresses, which will be used by the ATP to validate their status as an Elite partner.

For assistance with your registration, please contact [trainingsupport@ruckuswireless.com](mailto:trainingsupport@ruckuswireless.com).

### COURSE FORMATS

For a complete list of scheduled courses, please visit [training.ruckuswireless.com](http://training.ruckuswireless.com).

#### eLearning

Eliminate travel time and costs with the extensive catalogue of Ruckus eLearning training. Learn at your own pace by participating in online, self-paced classes that combine self-study activities, lectures, demos, and simulations.

#### Instructor-Led Training

Access Instructor-Led Training curriculum at any Ruckus ATP facility worldwide— each has a classroom and access to remote lab stations for hands-on lab exercises. Ruckus’s ATPs offer training both virtually and in a classroom setting. All instructors for Ruckus ATPs are certified and vetted by Ruckus’s Master Instructors.

## FIND OUT MORE

For more information, contact your Ruckus Partner Account Manager or visit the [Ruckus Partner Portal](#).

## AUTHORIZED TRAINING PARTNERS

Ruckus utilizes ATPs, who demonstrate the highest standards of technical excellence. Courses are available in both English and local languages where applicable.

For a complete list of ATPs, please visit [training.ruckuswireless.com/mod/page/view.php?id=849](http://training.ruckuswireless.com/mod/page/view.php?id=849).

## TRAINING LOCATIONS

Ruckus's ATPs offer training facilities at key locations throughout the Americas, Europe, the Middle East, and Africa, Asia Pacific and Japan. For a list of locations where publicly scheduled courses are currently offered, please visit [training.ruckuswireless.com/mod/page/view.php?id=849](http://training.ruckuswireless.com/mod/page/view.php?id=849).

## TESTING

Each certification exam will cost USD \$150, globally.

Accreditation exams are Free online.
