REDEFINING CONNECTIVITY

Ruckus is redefining connectivity around the globe, innovating across wired and wireless technology to meet customer and industry-specific needs and the most demanding use cases. Our high-performance network infrastructure provides secure, reliable access to applications and services no matter how tough the environment.

SIMPLY BETTER BUSINESS

At Ruckus Networks, we're not just "partner-friendly". Our go-to-market strategy is uniquely focused on partner relationships—it's in our DNA. When we say that our success depends on your success, we mean it. And to enable your success, we've created a holistic partner program that makes working with Ruckus simply better business.

INVESTING FOR SUCCESS

Ruckus is dedicated to providing extensive resources, training, incentives and engagement to ensure a trusted and mutually profitable relationship. All partners have access to the exclusive Ruckus Partner Portal which provides a wealth of resources and information to enable, inform and support your ability to successfully sell Ruckus solutions.

For companies that want to market, sell and deliver Ruckus wired and/or wireless products and services, we have two partnership tiers for solution providers, each with distinct enablement and paths to profitability. In addition, our specializations recognize skills and expertise in specific areas and provide an opportunity to earn incremental benefits.

Select Partner The entry into the Ruckus Ready Partner Program. A Select Partner is eligible to resell all of Ruckus Networks products without having to meet minimum annual revenue requirements.

Elite Partner The top-tier of the Ruckus Ready Partner Program. It is reserved for partners who make a significant investment in Ruckus' business, including meeting minimum annual revenue requirements.

Specializations

Specializations recognize and reward partners with very targeted expertise in selling and/or supporting Ruckus solutions. Currently available Specializations include:

- **Cloud Wi-Fi:** recognizes partners with expertise in selling, deploying and supporting Ruckus Cloud Wi-Fi. Available to all partnership levels.

RUCKUS READY PARTNER PROGRAM

Solution Provider Overview

- **Support:** recognizes partners capable of defining and delivering Level 1 and 2 support services for Ruckus solutions. Available to Elite Partners and Distributors only.
- **Federal:** recognizes partners with a U.S. Federal Government practice, including personnel dedicated to Federal business and holding a Government Wide Acquisition Contract.

Partnership Identification

- You will be authorized to display a logo/badge that recognizes your organization as a Select or Elite member of the Ruckus Ready Partner. The badge may be used to market your company's relationship with Ruckus and expertise in selling and deploying Ruckus solutions. Specialization badges are also available for those partners with demonstrated expertise in any of the Ruckus Specialization offerings.
